For **walkways**,
pallet storage,
and **equipment**
positioning

- A simple but effective solution for marking areas on the floor
- Tough PVC with an aggressive adhesive
- Capable of withstanding everyday traffic of a fully operational warehouse
- Helps to improve efficiency and safety

Highlight pallet areas, walkways and traffic flow. Manufactured using a thin plastic membrane and laminated with an aggressive adhesive.

These floor signals bond strongly onto the floor surface and are resistant to the rigours of a busy warehouse and other areas with high footfall. The markers are suitable for application onto any clean, flat, sealed surface.
